

What can we fund?

Our Grants can provide funding for projects that provide a benefit for the community. Only constituted community groups such as Town/Parish Councils, Charities, Village Hall and Playing Field Committees, Community Interest Companies and Community Benefit Societies can apply.

Eligible activities can largely be split into the following categories

- Community Facilities Improvements – this includes upgrades to village halls or community centres
- Environment and Public Realm – improvements to public spaces, including new benches, information boards or tree planting
- Sports and Recreation – provision of improved facilities for sports clubs, or projects such as new equipment or safeguarding training courses
- Play – improvements to play areas and parks
- Community Events
- Health and Wellbeing – community defibrillators and support for health & wellbeing groups
- Arts and Culture
