Good afternoon,

I hope this finds you well. I'm writing with regard to funding that is available to apply for by eligible groups within Creeting St Peter. The funding is available from Section 106 (S106), which is a developer contribution achieved through the planning system, which enables investment in social infrastructure such as village halls, sports facilities and play areas. S106 is managed by the Grants Team at Mid Suffolk District Council. More information can be found about S106 and our other Community Grants on our website here: [Babergh and Mid Suffolk District Council Funding » Babergh Mid Suffolk](#).

Within Creeting St Peter, S106 money is available to apply for, towards social infrastructure within the Parish. This can include improvements to community spaces, play areas and sports facilities.

We are interested to hear if you have a project you are planning to which this S106 may be applicable. In the first instance please complete a Grant Enquiry Form ([Grant Enquiry Form - Organisation Details - Section 1 - Babergh and Mid Suffolk Self Service \(achieveservice.com\)](#)) indicating your expression of interest and including your project details, by **6th October 2023**.

This is currently being shared solely with Creeting St Peter Parish Council, though can be forwarded to community groups to which it may be applicable.

The main requirements of a S106 application to be mindful of in the first instance are as follows:

Community Groups: Only constituted community groups can apply for S106, and only those with their own facility or one leased.

Three Quotes: To ensure value for taxpayers' money we require that applicants have three quotes for any proposed works.

Need / Community Support: We require evidence of need/community support for the project going ahead. This may include local/community consultation.

Retrospective Funding: We cannot issue payments or award funding if a project has commenced prior to a signed offer letter being returned to us.

If you have any queries or would like to discuss further, please contact BMSDCGrants@babberghmidsuffolk.gov.uk.
